UNDERGROUND UTILITY AGREEMENT

I understand and agree that: It is my responsibility to identify, mark, and expose any underground or above ground facilities (i.e.: private water, sewer, telephone, gas lines etc.). I understand that: It is my responsibility to provide a clear access path to and within the CCECA easement. Thus: I hereby agree to indemnify, release, and hold CCECA, its contractors, etc. harmless from any damages occurring to the property or facilities on the property. I understand that” Trucks, equipment, etc. utilized to connect Electric Service may leave ruts or disturb the natural terrain on the property. Thus: In order to connect the Electric Service requested I hereby indemnify, release and hold CCECA, its contractors, etc. harmless for any damage that may occur to the property’s terrain as a result of the trucks, equipment, etc. operating on the property to connect Electric Service.

Meter locations are required to face the nearest electrical facility, or the designated shortest route as determined by a CCECA representative. If this is not possible, additional cost may be assessed in order to extend the line close to the meter.
