If the Cooperative determines Cooperative system upgrades will be required as part of the interconnection, Member/Owner will be contacted to determine if they want to proceed with the upgrade costs under the Cooperative's Line Extension/Construction Policies.

Member/Owner will be contacted by the Cooperative when the review process is complete with the fees and costs associated with the interconnection and to provide the Member/Owner with the appropriate agreement(s).

Before constructing, interconnecting and operating the DG Facility, the Member/Owner agrees that they shall: (1) pay all fees and costs associated with interconnection; and (2) receive final approval(s) from the Cooperative and/or the appropriate agreement(s) signed by the Cooperative's authorized representative.

Member/Owner hereby acknowledges that Cooperative is under no obligation to take any action on this DG Application until the Member/Owner has paid the applicable DG Application fee and other review costs based on the DG Facility's classification.
